
Directions from Salt Lake Airport to SGL Carbon Fibers

Leave Salt Lake Airport; stay in left hand lane (2.7 Mi).
Merge onto I-80 E via the exit on the left toward Ogden/ Provo (6.1 Mi).
Get in right hand lane and merge onto I-80 E via exit 304 toward Cheyenne.
Then move to the middle or left lane and go through Parleys Canyon (78.0 Mi),
(Crossing into Wyoming).

After crossing into Wyoming; take exit 3 and turn left onto Harrison Drive.
Your hotel will typically be located within 1.5 miles of this exit on Harrison Drive.
To make your way to the plant from the exit turn left, from a hotel turn right at
the light next to the Evanston Automobile Dealership. This will be Wasatch Rd.
Turn right immediately after the concrete wall onto Constitution Ave.
Follow this until you cross under the Power line and the plant will be located on
the right hand side
